

# ToP® Facilitation Methods

Stephanie Ahles

In this 2-day workshop, learn and practice three methods that will:

- Strengthen your ability to facilitate authentic engagement
- Spark innovation
- Increase teamwork
- Take collective action

Join us for an experience rooted in learning, discovery, and practical application. After two days together you will have the tools and confidence to facilitate your next meeting.

## 2024 Asheville ToP® Courses

## What you'll learn:

- **Focused Conversation Method**  
This method guides groups through a meaningful exchange of ideas to reach shared awareness.
- **Consensus Workshop Method**  
This method is used to engage and energize people toward common goals and shared agreement.
- **Action Planning Process**  
This process helps groups plan, organize resources and build commitment.
